If you're desiring some spicy South American gastronomy, you're in the right place: delightful menus, roasted with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are in the menu, Furthermore, the drinks list in this restaurant is impressive and offers a good and extensive diversity of beers from the area and from worldwide, which are definitely worth a try. Watching various sports games and matches is equally one of the main attractions when visiting this sports bar, For a snack in between, the fine sandwiches, small salads, and other snacks are suitable.
