It's definitely always an experience to be in a **typical saloon** and to taste; to feel like a cowboy for once with a beer and also the finger food like crispy fries, onion rings or a hearty burger, In the morning they serve a varied breakfast here. Among the visitors, the **versatile, delicious Mexican cuisine** is also popular, in which mainly corn, beans and hot peppers are used, Also, the guests of the establishment love the extensive selection of differing [coffee and tea specialities](#) that the restaurant has to offer.
