Boy I give this place a fmg 10 food was awesome and my girl Jackie knows everything to know had some real good suggestions and it was all I hoped for! The food was FRESH! Vegetables were not over cooked and had good flavor! And seafood was epic!!! And the variety was amazing! And let me tell you Jackie was the cashier and still came and made sure we didn't need anything! Good customer service I will be going again!! [read more](#).

As a guest, you can use the WLAN of the establishment at no extra cost, And into the accessible rooms also come customers with wheelchairs or physical limitations. What [E M](#) doesn't like about Louisiana Fish House: Frozen Asian Style seafood. The food is more fast food style. It's not fresh and not hand breaded. It's the frozen kind you take out the freezer and just drop in grease. It had no seasoning and definitely wasn't Louisiana style. The staff were great, very nice and friendly. This is a hood restaurant out here for profit. There is no quality in the food here. [read more](#).
