I visited Luna Grill today and like always the food is awesome and the service was as great as the food. Pablo took care of us. His customer skills are beyond 5 stars. His charming and spirited personality put a smile on my face. You can tell he loves helping people. Nowadays it's hard to find people in this industry that love their job. You can tell that Pablo does as he takes customer service to another level. Than... [read more](#). What [User](#) doesn't like about Livingston's Chicken Kitchen Mexican Grill:

So I got a ?ALC veggie with hummus? for almost \$8, and when I open it all it has was a few slices of green pepper and couple of other veggies (see pics). Really? I understand the price increases to cover costs, but that is simply outrageous for something like that. Last time I get anything from there. [read more](#). Livingston's Chicken
