Best meal I had in [Gulf Shores](#). No comparison. BR was the best server and made the experience great in addition to the superior food quality. Crab and crawfish cakes are INSANE!!!! Must try! Everything I ate was fresh, hot, delicious and all flavors were perfectly blended. I recommend the Rum Rummer, as well. This place knows what it's doing. THE BEST! [read more](#). The restaurant offers complimentary WiFi for its guests. Flying

Harpoon from Gulf Shores is a good option for a bar if you want to have a **cocktail after work** and sit with friends or alone, and you can look forward to the scrumptious typical [seafood](#) cuisine. Without doubt, the right drink enhances every meal; with this thought in mind, this **gastropub** offers a rich selection of fine and regional alcoholic beverages like beer or wine.
