While our order was lost in the kitchen when we finally got our pizza, it was excellent! With 16 at our party everyone had a delicious dish in generous but not too big portions. Very recommended. Enter the front door, the rear entrance is a little disturbing. read more. The restaurant offers free WiFi for its guests, Depending on the weather, you can also sit outside and eat and drink. What User doesn't like about Tower Pizza:

Service quick but as an old customer did not know the only choice was cracker thin pizza. My bf was really upset. We will order pizza elsewhere so we have a crust. We could have used Lefse at home. Ha! read more.
