I'll take breakfast here occasionally. eating is good and the drive-thru is in the fast. my favorite is the keks and gravy with a sausage patty on the side. Although the gravure tastes well, it could be a bit thicker. friendly personal and accurate order filling. [read more](#). What [User](#) doesn't like about Hardee's: has not prime rib menu. it has shown it blatant on the window and tells me it was only a limited time. the prime rib has been there since 2019, so their employees are also on our faces.
