What [User](#) likes about Hometown Pizza:

we had only our family for pizza and they all raided over it and thought the cheesy brotsticks were the best of all time! beside good eating is a big trailer of events in our community! [read more](#). The restaurant offers free WLAN for its customers. What [User](#) doesn't like about Hometown Pizza:

has tried a stromboli, it was good, but they seem a bit ashamed to be on meat. I ordered sausages with mine and could not find or taste, and especially there was no tomato sauce. his simply not pizza without tomatensauce! again, to skip with their fillings if they want a good business, PILE it on! and not sell something without tasting it first. [read more](#). Tasty pizza is baked **fresh** at Hometown Pizza in Sanford using a traditional method, and you can expect typical *Italian cuisine* with classics like pizza and pasta. Sometimes you may not want to eat a lot, in this case one of the tasty sandwiches, a healthy salad or another snack is just right.
