There was an absolute horror show of a human being ordering food tonight. He wanted lettuce and they were out. The staff handled it very well and professionally all while operating the restaurant. I was impressed and the whole staff on tonight (7/20/22) deserves some recognition. I hope you all have a great night except that guy.

that was my go-to-chipotle, except today, when we found bark (or another meat, for everything that is important to me) in our **vegetarian** bowl. they see, this is a lot of vegetarians born for us and flesh are considered against our religious practice. I really want this thema to be taken more seriously! [read more](#). Get excited about the **diverse, tasty Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), The meals are usually prepared in a short time and fresh for you. Look forward to the enjoyment of scrumptious vegetarian meals.
