What [Erick Maitin Morales](#) doesn't like about Buckingham Farms:

04/25/2022 I really was expecting more farms products than what I've eaten or see to buy. Nice place, different ways to serve, and the food was acceptable. If you around lunch is a good option, but this is not a spot to go on purpose. With the extensive range of coffee and tea specialties, a visit to Buckingham Farms becomes even more attractive, They also present tasty **South American** cuisine to you on the menu. Typically, the burgers of this establishment are served as highlights along with filling side dishes like fries, salads or wedges, the menu also includes tasty vegetarian menus.
