What User likes about Chick-fil-a: always consistently good. kekse and creamy are the bombs. Chicken tenders always taste great. the workers are always friendly and polite. there is always a long line for the journey through, but they are so nice that I don't stand out because I know it's always good right. [read more](#). What User doesn't like about Chick-fil-a: for the dear gods can you just correct our commands once? we work in a small local hospital and we had to stop using the door to get our commands because the amount of time that this place did not order right became ridiculous! we have to go there to get our food, so we can place the order personally and check the bags physically before we go so that we can ask for our missing items. Today was the same as all our ear... [read more](#). In the morning, you can enjoy a **rich brunch** at Chick-fil-a, as much as you want, Typically, the meals are prepared for you fast and fresh. Here they also grill *South American* fresh seafood, meat, as well as corn and rice, Furthermore, the customers of the restaurant enjoy the comprehensive selection of the differing coffee and tea specialities that the restaurant has available.
