The food was also so good and really cheap! \$8 (Tip included) for a hot dog, perpetrator bags and a sperm root beer. The owner was so friendly and nice. The facility was cozy and clean. The bathroom was also clean and easily accessible. It was super easy to park, which is not the case for many shops in downtown. I HIGHLY recommend stopping it here and treating yourself to one of the best Wisconsin hot dogs! [read more](#). The restaurant offers free WiFi for its visitors. What [User](#) doesn't like about Hotdog Charlie's Llc:

This place wasn't as great as what we thought. The hotdogs were not what we expected. As well as the fries kinda tasted like the stuff was cooked in old oil. The man working wasn't as friendly as what everyone else is saying. We ate inside and it was dirty spiderwebs all over. [read more](#).
