This was probably the most perfectly prepared food I've ever eaten in a Spanish restaurant. I lived in CA and easily this rivals the food in Mexico. If you haven't tried this place, you definitely should!! [read more](#). When the weather conditions is pleasant you can also be served outside. What [scott hamil](#) doesn't like about El Rio Grande Mexican:

Wait time for actual food ordered was longer than expected. They were not busy, the food was ok. Ribeye steak ordered was extremely thin nothing like the picture on the menu. Steak looked boiled and greasy. Chicken strips were hard and over cooked. On your ticket when you go to pay your bill the amount will change before you actually pay it, they tack on an extra charge for using your debit card. Would and would not... [read more](#). Get excited about the diverse, scrumptious Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), The dishes of this restaurant can also be ordered at on-site or at the party thanks to a catering service. Not to be overlooked is also the comprehensive selection of *coffee and tea specialties* in this locale, Moreover, the enchanting desserts of the house shine not only in the eyes of our little guests.
