**The Card** of **Bistro Wasabi Lake In The Hills** from **Lake in the Hills** contains about 16 different dishes and drinks. On average, you pay for a dish / drink about \$5.2. What **User** likes about **Bistro Wasabi Lake In The Hills**: from any reason we were served immediately our appetizers, but we were probably waiting 30 minutes or more for our **sushi**. the restaurant was not very busy, so I assume there was a problem with the preparation of food. we have not seen our server for this half hour. **read more**. The diner is accessible and can therefore also be used with a wheelchair or physiological limitations. What **User** doesn't like about **Bistro Wasabi Lake In The Hills**: first of all from the oil they cooked the calamari with was definitiw burned old oil and a total let off. the drink they made me was so strong, can't really say if that's a good thing or a bad thing. but finally the water. it tasted as if it was warm water from a pond and had a very pronounced smell. overall, the price was not satisfied and a point to be and my friend was reluctantly abandoned and only get mcdonald's... **read more**. **Bistro Wasabi Lake In The Hills** from **Lake in the Hills** is a good option for a bar if you want to have a *cocktail after work* and sit with friends or alone, on the menu there are also a lot of Asian dishes. Eventually, the atmosphere also has importance: At this point, the **bistro** with its romantic small size can evoke the suitable homely atmosphere, Especially delicious are also the **Sushi** and delicacies like **Sashimi** from this place.
