Still the best mexican restaurant in town and been going since 2019 the food has always been good but been going more recently because their service has been really good and there very welcoming and dont seem rude and the chips and salsa are so good that almost addicting and its all that my fiance can think of when she wants mexican. They also have fun mexican music that plays in the restaurant. [read more](#). What [Jamie Gregory](#) doesn't like about El Maguey:
