The rest of our meal was delicious and beautifully prepared. [read more](#). The place also offers the possibility to sit outside and be served in beautiful weather, and there is complimentary WLAN. What [User](#) doesn't like about Happy Sumo:

First time visiting, and the food was outstanding. Loved the ambiance, booths, and lighting were romantic. Waitstaff was complimentary and polite. Ordered the lettuce wraps, thinking they were prewrapped, but you prepared them yourself. The bento box comes with a good portion of food. Sushi rolls are also fulfilling. It's definitely worth visiting. [read more](#).
