Best [sushi](#) in the area!! I love that they also have another location close by and are closed on different days so if one is closed one day, it is worth it to go to the other location! The [sushi](#) is phenomenal and so are their small apps. I highly recommend their tuna pizza! the food is always fresh and delicious. [read more](#). Yumi Sea Bright:

The [sushi](#) was good, but we ordered 5 specially rolls and they were brought out one at a time. I am not sure if this is how they do it (like a tasting menu), but I much would have preferred all the rolls to come out together. Other than that the [sushi](#) was great and the server was quite attentive. [read more](#).
