During a meal, a good drink is essential. In this [gastropub](#), you not only get delicious menus from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, In addition, the latest games or races can be watched on the big TV in this **sports bar**, which the visitors also love. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, They also present tasty South American menus to you in the menu.
