I can usually make it through and get back to work with time to eat in a half hour lunch window. [read more](#). What [User](#) doesn't like about Arby's:

I would say Arby's is pretty much average when it comes to [fast food](#). The Chicken sandwich was pretty good. I pulled the tomatoes off, I would have ordered it without but I didn't realize it came with them. Their Menu has gotten way out of hand as it's about 15'-18' wide now and takes way too long to look at. Food was prepared quickly. I don't often go to fast food places anymore. [read more](#).
