An absolute hidden gem of a place. They specialize in takeout, so be aware that their dining room only seats four people total. Everything we had there, including orange chicken, chow mein, Mongolian beef, and fried rice was amazing. Of special note are their egg rolls, which were hands-down the best I've ever had, coast to coast. Unbelievably fresh, hot, crisp, and utterly satisfying. read more. You can use the WLAN of the place free of charge. Let yourself be thrilled in China Fresh from Trenton by *versatile*, *fine Chinese cuisine* that's authentically prepared in a wok.
