Met some friends there during BBB 2017 and I expected it to be crowded, but we were seated quickly and our hostess was very attentive to our table while still having other tables as well. Nice place to hang out and watch the games or with friends. Food was excellent. Wish we had one closer to my home. Thank you for a good dining experience what could have been a hectic and frustrating occasion!!! [read more](#). As a guest, you can use the WLAN of the place free of charge. What [User](#) doesn't like about Farrell's Lounge Grill:

We ordered some drinks and a bowl of fries to eat. The drinks were mixed good and the fries were fresh and crispy. Definitely would stop in again. [read more](#).
