What [User](#) likes about Joe The Juice: give only 4 stars because acai bowls cut the toppings. I had Acai bullets everywhere and never at a place where I got the whole piece of pineapple in it. How would they want me to cut it with her cartoon spoon? Surely not acai here. Full strawberries as well, everything should be cut into an Acai dish, unless the customers tell them. [read more](#).

What [User](#) doesn't like about Joe The Juice:

I was here a few times, and every time the staff was rude. Obviously, it could not take care of the customer service, only do the job and want to go home. If you're desiring some spicy South American cuisine, you've come to the right place: delicious dishes, cooked with **fish, seafood, and meat**, though corn, beans, and potatoes are also on the menu, here they serve a *appetizing brunch* for breakfast. As a rule, most dishes are prepared in the shortest time for you and served. Furthermore, the customers of the restaurant enjoy the large variety of the differing coffee and tea specialities that the establishment has available.
