What [Taneshea Wells](#) likes about Barnhill's Steak And Buffet: The food was pretty good and it was a pretty nice and clean place. It's a buffet, so sometimes the food doesn't get replaced timely. Also, the staff was nice, but they have a weird tipping policy. So, we were a little confused. Otherwise, it was a nice time. [read more](#). What [david parry](#) doesn't like about Barnhill's Steak And Buffet: Good food bar with more choices than you could ever be able to taste.... and it's good compared to most food bars, skip ordering the steaks, I couldn't even eat my steak it was super tough, may have just been a fluke on the steak but the food bar has more meat choices then you can eat anyway. In this **gastropub**, you will find not only tasty cuisine, but also a large and comprehensive diversity of good beers and other alcoholic drinks that compliment the food, Furthermore, the **sugar-sweet treats** of this restaurant sparkle not only in the eyes of our young guests. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink.*
