What [User](#) doesn't like about Renee's Tucson:

I would give Renee's a 3.5 stars if I could. The first time I went I loved it!! Ever since it hasn't wowed me. The last 2 times I have gone I wanted a certain dish, and each time they didn't have it. We always had great service and the food is decent. I just wish I could actually get the hummus tostada and hummus platter. Listed in the pictures is a hummus platter and an apple walnut salad.
