\$17.64. FRENCH AND BACON! My daughter wanted French toast and some bacon and we didn't want to go somewhere to eat, so we called and put an order over the phone. The woman gave me no sum and I didn't think much of it. We show up to get it and when the woman told me she had made a mistake. I was trying to never say anything and go away because it's crazy, but because they had done it and my daughter was so hungry, I just took it. Never again. Three stars because the food was good, but they must begin to tell people their unfortunate prices when someone orders over the phone. If you're craving for some **fiery South American culinary arts**, this is the place to be: delightful meals, roasted with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, fine [vegetarian](#) menus are also in the menu available. Moreover, there are tasty American dishes, such as **burgers and grilled meat**, for breakfast they serve a varied breakfast here.
