Amazing apps and sandwiches! The owner ?Megan? is super humble and personable. The servers are sweet. Apps come out fast, we had a large group so main food took a little longer than expected but you can play pool while you wait!!!! [read more](#). What [User](#) doesn't like about Marty Byrde's:

I ate for lunch, it seems that it's more of a bar. The food was good, but nothing special. Our waitress rarely came to us, we needed more water for the majority of our meals. Overall, it was a good lunch, but I was disappointed.
