I love this place! Everyone is so friendly and helpful. I buy for gifts here and of course with all the great breads and pastries I also get for me. Look at the Deli! Your sandwiches are huge and so good. Just a wonderful inviting place to visit! read more. The restaurant offers free WLAN for its guests. What User doesn't like about The Bread Basket:

Not too many unique items here. I've been to many stores like this and they had the same types of snacks, etc. Especially if there was an Amish or Mennonite group close by. The sandwiches looked huge, enough for 2 meals, and they had birch beer and sassafrilla also ????? read more. Waiting long for food is not your thing? Then the array of already prepared **delicacies** is exactly right for you, and you can try delicious American meals like **Burger or Barbecue**. It should not be forgotten that there is an extensive selection of coffee and tea specialties in this locale, here they serve a comprehensive brunch in the morning.
