We live in Ohio, but have family here in Pittsburgh and always make it a point to stop for a lunch or dinner with our hosts during here. We visited Saturday night and had to wait for a table, but good, it is a popular restaurant. Our server was great, but I don't think we were even in his section because all the other tables that surround us were served by another server. The food was delicious as expected, came hot... [read more](#). If you're desiring some **hot South American gastronomy**, you're in the right place: delightful menus, roasted with **fish, sea creatures, and meat**, but also *corn, beans, and potatoes* are in the menu, Besides the yummy sandwiches, small salads and other snacks also make a good snack. In addition, you can order fresh prepared grill goods, In addition, the cocktail menu that is offered in this established eatery is impressive. It offers a diverse assortment of beers from the region and the whole world.
