This was a wonderfully quaint place to eat lunch. The food was excellent and the atmosphere was relaxing. There's not much in the way of service since you order at the counter, and I wasn't told that I needed to get my own soft drink. Otherwise, it was a good experience and they have a nice variety on their menu. I'd return!

The diner is accessible and can therefore also be used with a wheelchair or physical disabilities. If you're hungry some hot South American gastronomy, you're in the right place: exquisite menus, roasted with **fish, sea creatures, and meat**, but also **corn, beans, and potatoes** are on the menu, for breakfast they serve a tasty breakfast here. Furthermore, you'll find delicious American dishes, like for instance burgers and grilled meat on the menu.
