What [User](#) likes about Volcano:

One of the best places we found for Sushi since we got out of here! We thought out because the situation is full when we left. It took less than 30 minutes to receive it. The staff was super friendly. Will definitely be back!! [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious meals from the menu but also a comprehensive and particularly good assortment of **good beers and other alcoholic beverages** that go well with the food, You can also unwind at the bar with a *cool beer* or other alcoholic and non-alcoholic drinks. Dishes are prepared typically in the Asian style, The creative fusion of different menus with fresh and partially daring products is highly valued by the guests - a nice example of Asian Fusion.
