What [Stacey McKenzie](#) likes about Brickhouse:

I am having mixed feelings about this place. Positive they have nice outdoor sitting that allows you to bring your dog. They start you with really nice hot bread. Wings was just perfect falling of the bone. Fish and mussels taste great. Steak, nachos and burger was ok. Overall food taste good BUT !!!! Service was nightmare ... Take forever someone to come and even say hi ... we order right the way and take good 45 mi... [read more](#). Brickhouse from Eastham is a good option for a bar if you want to have a cocktail after work and sit with friends or alone, You'll find scrumptious **South American** cuisine also in the menu. If you decide to come for breakfast, a *hearty brunch* is ready for you, Furthermore, the drinks list in this restaurant is impressive and offers a good and comprehensive variety of beers from the area and from worldwide, which are definitely worth a try.
