What [User](#) doesn't like about [Pizza Ranch](#): For \$17.50 a person the food was not up to par. It's Pizza ranch but the best thing about the place was the fried chicken. It took 30 minutes after we arrived for them to make more options and what was sitting out was very overdone or you could tell it's been sitting out for hours. I would suggest equivalating price with quality of food, which is not \$17.50 cents. Nice staff, poor variety, trash quality. [read more](#).
