Good quality food for a great price. Chesse Queso is the real deal not the free chicken broth stuff I don't mind a couple dollars for it. Nachos are GREAT! Keep up the good work. [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physical limitations. What [User](#) doesn't like about

El Jimador:

Over priced food, that is okay . It 's nothing to WOW about. Not one refill entire time I was there eating either. There was 3 waitresses and only 3 families (mine included) eating in entire building. [read more](#). Look forward to the **diverse, fine Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers).
