What [Mike Fox](#) likes about Rumors.:

I don't usually write reviews, but this establishment is a cut above. The food was fresh hot and fast, you will definitely not leave hungry. The atmosphere is great, and the staff was amazing our waitress was top notch we never had to ask for anything she was on top of everything. Food: 5/5 [read more](#). What [Jenny D](#) doesn't like about

Rumors.:

While the food here is good, the service really takes away from what would be a great experience. S.L.O.W! Absolutely slower than cold molasses. Make sure you don't need anything extra either lemons for water, refills, straws... you'll never see them even if you ask multiple times. If you decide to dine here make sure you don't have anyplace to be. You'll easily spend an extra hour more than what you were expecting. [read more](#).
