I love this place! The food is always so fresh and delicious, and I've never had a problem. They recently remodeled their restaurant so the eating area looks super great modern, and very spacious! Hands down some of the best [sushi](#) in the area, and you can't beat the 3 roll special. [read more](#). You can use the WiFi of the place free of charge, And into the accessible spaces also come visitors with wheelchairs or physical limitations. What

[User](#) doesn't like about Vic **Sushi**:

I had to throw up during my ap Calculus test for this place. I had food poisoning and also had to give up my beloved physics class because I got sick. I'm very upset with their servants.
