What User likes about Texas Roadhouse: I love this place, but they are not good with reservations or groups! Unfortunately, at 2 different places was a little rude after I was told we had a table for a birthday dinner. we landed on the way to the white marsh! they were much more accommodating! read more. What User doesn't like about Texas Roadhouse: they give the worst food when u order to go my med good steak had no juice and very small should be 8oz, but when I weighed it was under 6oz. do not put a bite burned / dark roll, as I were a dozen they were small dry. eating was again with a better steak bigger dried out rolls that the manager got to go from the department. do not go back read more.
