great service, fast and friendly, we visited from the city and Ashley made us feel at home. My man loves the Whiting fish and the fried chicken sandwich. So crispy and delicious. I'm a simple Jane, so I just wanted to pickle on mine. [read more](#). What User doesn't like about Charleston's:

If you're desiring some **spicy South American gastronomy**, you're in the right place: delicious meals, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, and you can try fine American meals like Burger or Barbecue. You can just get one of the scrumptious **sandwiches**, a healthy salad or another snack, if you're not that hungry, and you can look forward to the scrumptious typical seafood cuisine.
