For a place in Sparta, this was pretty good. We went during an off time, mid-afternoon, so it wasn't busy. The service was good, though! Our food was pretty okay. We ordered tacos and a burrito. You get complimentary chips and salsa. We only drank bottle beer, so I can't comment on drinks. May or may not go back I don't tend to make it to Sparta that often. They did have a nice big patio section, which is awesome. [read more](#). In beautiful weather you can even be served in the outdoor area. What [Chelsey Halvorson](#) doesn't like about Downtown Trini's And Margarita Joe's:

40 miles since I realized that they are gluten-free meal. my order was a simple taco salad w/chips on the side. unfortunately they forgot and added bonnet so it was just a plate of moss. there was literally zero taste! my Sohn got 2 tacos instead of the 3 he ordered and tears, he is a pretty simple eater and even he said he had no taste. the rice had beautiful color, but taste like white rice. use to be wonderful and I ate there many points before my celiac diagnosis... was super happy when they said that they. I didn't get sick, which is awesome, but had no taste!. Downtown Trini's And Margarita Joe's from Sparta is the perfect place if you want to try delicious **American dishes like burgers or barbecue**, Of course, you also have to try the *fine burgers*, that come with sides like fries, salads, or wedges served.
