The local Subway presents a conflicted dining experience, with some praising the fast service and fresh ingredients while others express frustration over inconsistent quality and high prices. Several guests have reported issues with online orders and management's attitude, describing a disorganized environment and complaints about employee treatment. Despite the cramped interior, some have enjoyed flavorful sandwiches, particularly the Italian BMT on Thursdays. However, concerns about cleanliness and the soaring costs, which some feel do not justify the product quality, may deter repeat visits. While it has its merits, patrons recommend exploring alternative dining options nearby.
