we went here for a double date and tried everything on the menu. I had no heat cream and the taste of the huh was delicious. we also tried the friend pickles and loaded friends and nothing was a miss! the parking was easy and the outside seats are perfect for the autumn, and they still have toilets. note: the extra hot taste is not saucy. it is mostly rub that leaves her mouth quite dry. What [User](#) doesn't like about Mico's Hot Chicken:

the reason why I'm three stars of this place because their cost for objects are unrealistic. every article on that gives a charge. No sandwich should cost \$12. peach tee should not cost \$4. Eating is good, but they are not consistent. they should also calculate for ranch, but they do. overall it is good, but not the best and it is overpriced. [read more](#).
