When the weather conditions is good you can also have something outside. What [Sharon Lyons](#) doesn't like about Steele's Dive:

2nd time there. Cute place. If you like your salad drowning in dressing...this is your place. Ordered the shrimp and grits. They used waaay too much salt. Had that taken off our bill. The tea was smooth and our server was good. For customers of the establishment, the **catering service** is also available, and you can indulge in delicious American meals like [Burger](#) or [Barbecue](#). Also, they offer you fine seafood dishes, Of course, you also have to try the scrumptious burgers, that come with sides like fries, salads, or wedges provided.
