What [User](#) likes about Lucky's li House Of [Pizza](#):

At first I abused this pizza place for another, but then decided to try it out. The man on the phone was lighthearted, friendly. You made my order fast and as you can see is beautiful. It tastes different than most "american" pizza, but that doesn't mean it's bad. It has its own special taste that I would say. I will definitely try some Brazilian meals again. This place seems like a hidden gem with many options excep... [read more](#). The restaurant offers free WLAN for its customers.
