I love a good raised donut and let me tell you, these raised donuts are DELICIOUS. I am fairly picky (Blue Star is the low end of mediocre to me), but I really enjoy this place. I've gone twice in the last few weeks and will be going back again and again. Affordable and delicious! Cool ambiance, too. [read more](#). You can use the WiFi of the place free of charge, Depending on the weather conditions, you can also sit outside and be served. The premises on site are accessible, and therefore no problem for visitors with wheelchairs or physiological limitations. What [Yolanda S](#) doesn't like about Coco Donuts:

Tried mochi donut and it was interesting in texture. Chewy, not what you expect for a donut. That was new for me. Had the lavender donut and all I could taste was sugar glaze, no lavender flavor. Overall not impressed and felt the prices were high for the quality [read more](#). A visit to Coco Donuts becomes even more rewarding due to the comprehensive selection of coffee and tea specialties, This restaurant offers a **catering service** that allows visitors to eat the dishes at home or at the party. You can also relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**, Also, the drinks menu at this place is exceptional and offers a significant and varied selection of both local and international beers, which are definitely worth a try.
