This is a great location and I love chipotle. My only criticism is for management and whoever control supply chain management for the stores: they fail to have simply ingredients frequently, like fajitas. That, or the staff just refuses to make more after a certain time in the day. Or the managers are enforcing such a policy. Food: 5/5 [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, Depending on the weather, you can also sit outside and have something. What [User](#) doesn't like about Chipotle [Mexican](#) Grill:

Chipotle has amazing food but, why is it apparently impossible to keep the seating area clean? The tables, the floor, the silverware area, etc. Send an employee out every 30 minutes to make sure everything is clean and presentable, is not that hard. This goes for every Chipotle I've been. Food: 5/5 [read more](#). Anticipate the *varied, scrumptious [Mexican](#) cuisine*, which is usually prepared with corn, beans and chilies (hot peppers), For you, the menus are normally prepared in the shortest time and fresh.
