What [User](#) doesn't like about Grounded Cafe: The ladies serving are very sweet and the cafe has an eclectic and cute vibe. The chai latte I got was decent as was the coffee my friend got. I thought my muffin sandwich was just ok. They don't have too many choices for sandwiches. Definitely check it out for the coffee. [read more](#). In the morning, you can enjoy a **appetizing brunch** at Grounded Cafe, as much as you want, They also present tasty South American cuisine to you on the menu.
