The restaurant offers free WiFi for its customers. What [User](#) doesn't like about Osteria Del Monte:

The service in this place left much to wish. Our water glasses were never filled throughout our meal and I was never offered another glass of wine. We had to request the bread service when another table that came in after us was given. Our food was offered to another table. The food was actually quite good, but to endure the bad service if there were only six other tables in the restaurant filled me second thoughts b... [read more](#).
