What [User](#) likes about Red Moon Pizza: I had a great 1st time impression! Their food is delicious!!! They have great prices on weekday specials!! I Paid \$14 for a Parmesan sub, fries, 2 plain slices and 2 fountain drinks!!! That?s luxury in this economy!! [read more.](#)

You can use the WLAN of the establishment free of charge. What [User](#) doesn't like about Red Moon Pizza: Been going here for 4 yrs. Always been excellent except for today. Prices go up but quality shouldn't go down. The chicken wraps used to be great. They hardly put any chicken in it and they are tiny morsels. What a joke. The cheesesteaks also have 1/2 the meat from what they used to have. The Pizzas are hit or miss these days also. Not worth the anymore. [read more.](#) Traditional meals are prepared in the kitchen of Red Moon Pizza in Howell with typical **Asian spices fine**, Furthermore, the customers love the inventive combination of different menus with new and partially experimental products - a good example of successful [Asian Fusion](#).
