I totally love this place! The employees are nice and work hard to do a good job. The food is delicious! My Momma and I like to go there and treat ourselves to a Blizzard, fries and a cheeseburger. We like to park in the rear of the building with our food, use my tablet and watch a movie while we eat! It's also very family friendly!

Probably the rudest drive-through in Alexandria. Horrible attitude to everyone. Throwing receipts in everyone's faces then slamming the window. More concerned about her fake eyelashes not falling into the ice cream. Gross appearance and gross attitude. Will stick to the location in Pineville from now on. [read more](#). If you're desiring some spicy South American gastronomy, you're in the right place: exquisite meals, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, Generally, the dishes are prepared *in the shortest time and fresh* for you.
