1 server busting hosts, but to serve all our customers. 1 manager not so nicely ignore some customers and a verbal dispute that could be difficult in the dining room, there were some curing. The gentleman that she cleaned the tables here and was embarrassed by him. And we asked him about our drinks and he went to get them for us, but nothing but 15 minutes, he came back and noticed that no one had brought them to us. Don't come here until they get enough staff that can be attentive. The restaurant also offers its guests a **catering service**. Of course, you also have to try the tasty burgers, that come with sides like fries, salads, or wedges served. Moreover, there are scrumptious American meals, such as burgers and grilled meat, They also present nice *South American* dishes to you on the menu.
