We love this place. Food is always great. Sometimes it's hard to get a reservation, but that's because they do such a good job not only with food quality, but also customer service. [read more](#). The restaurant offers free WiFi for its visitors, And into the accessible spaces also come customers with wheelchairs or physiological disabilities.

What [yvonne novajovsky](#) doesn't like about McDonald's:

Placed my order on the mobile app and paid thru it. Got to McDonald's and they didn't have my order. I was told that because they didn't have bottled water that I ordered so the order didn't show up. There's some type of updating that needs to be done. The order was paid for, my order still could have been made and when I get there they can say they don't have it. Instead no order went thru at all. Little frustrating... [read more](#). At McDonald's in [Bridgeton](#), you get a **abundant brunch** for breakfast and you can at will feast, And of course, you should also try the **fine burgers**, with sides such as fries, salads, or wedges offered. Even if you're only a bit hungry, you can still **treat yourself** to one of the delicious **sandwiches**, a small salad or another snack, Typically, the meals are prepared for you in a short time and fresh.
